

Starting At A New school

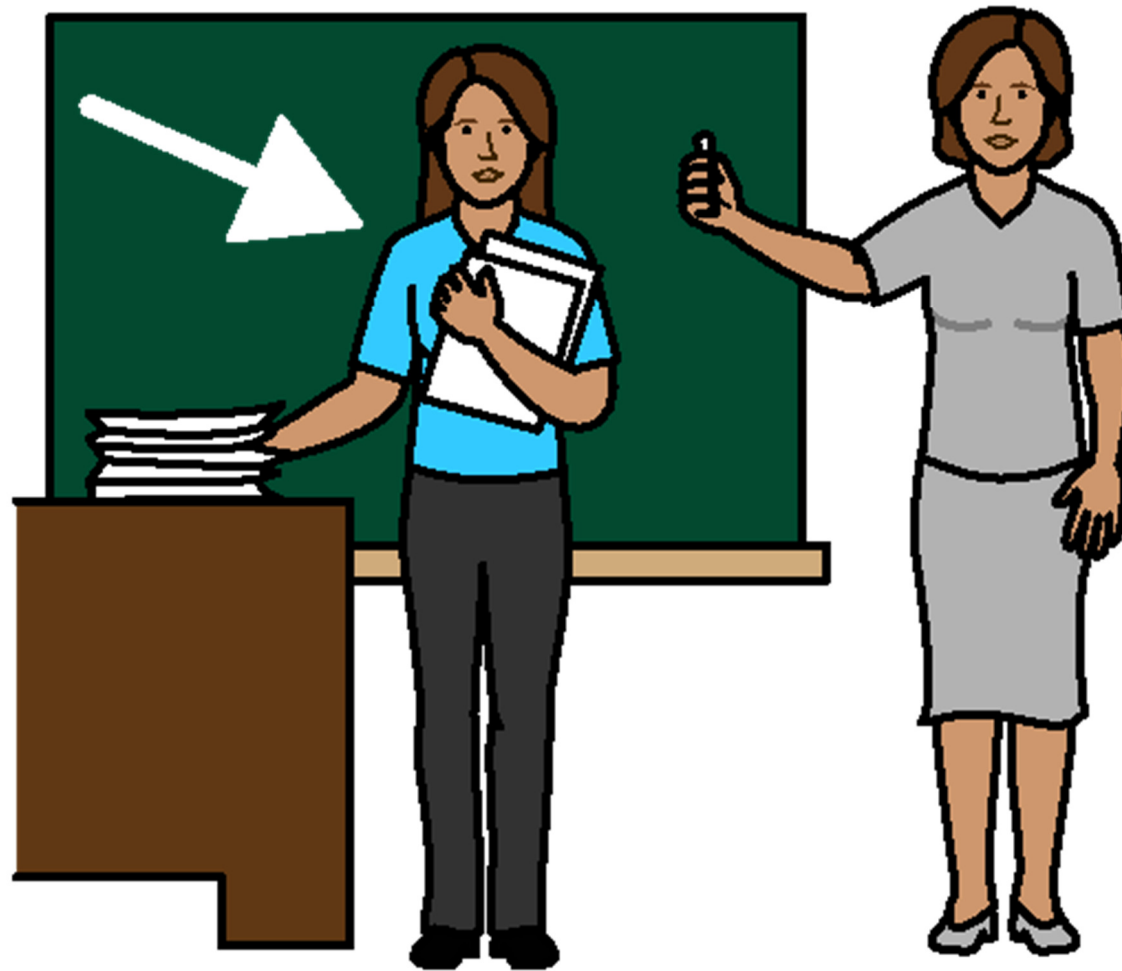

When the holidays are over I will go back to school.

I will have a new classroom.

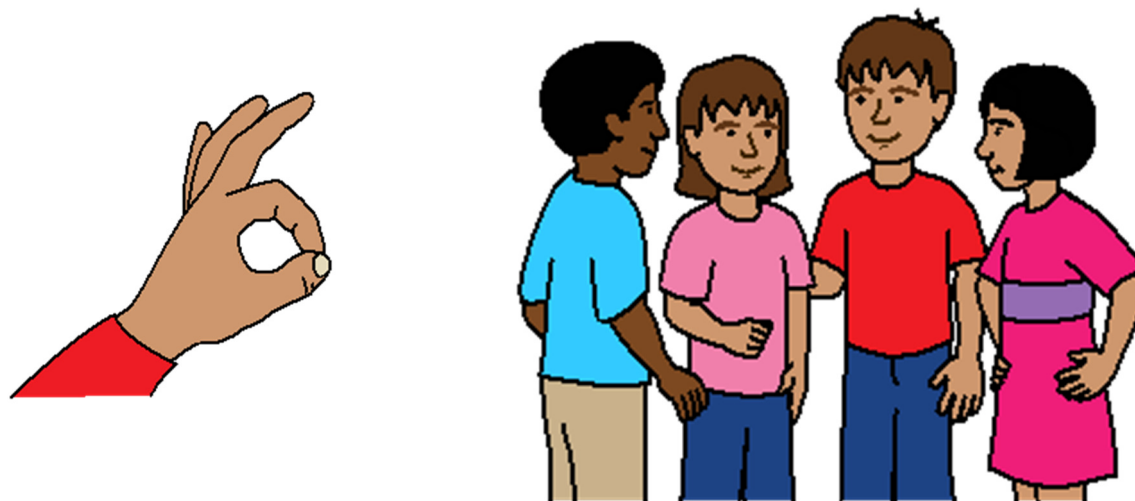

I will have a new teacher.

I might also have a new helper.

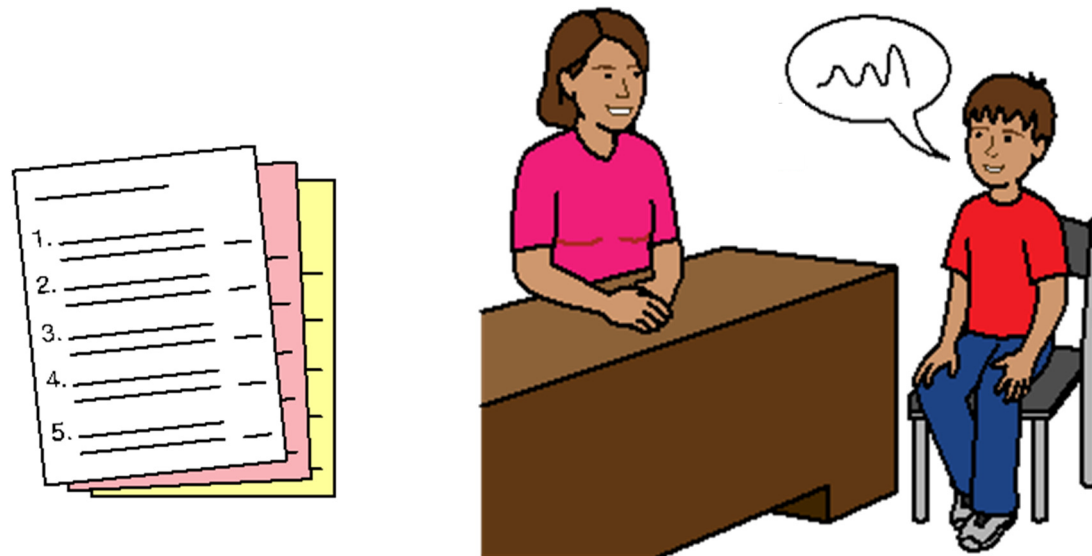

They will be good at helping me.

There might be children in my class that I don't know.

That's ok, I can make some new friends.

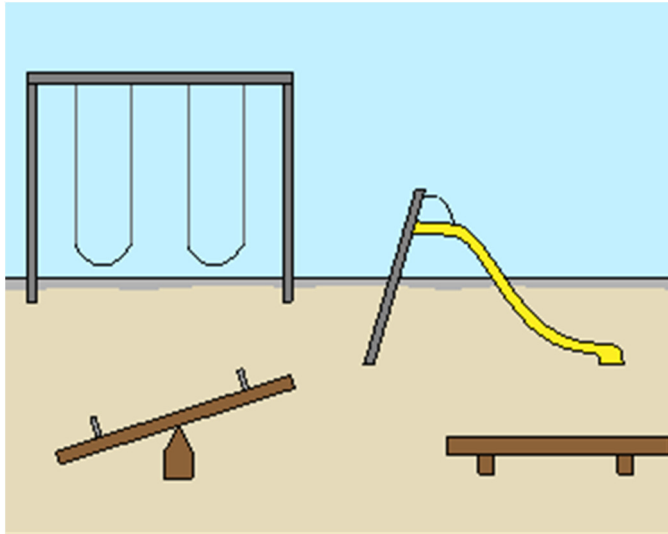

Sometimes we might do new work at school.

I can ask my new teacher for help.

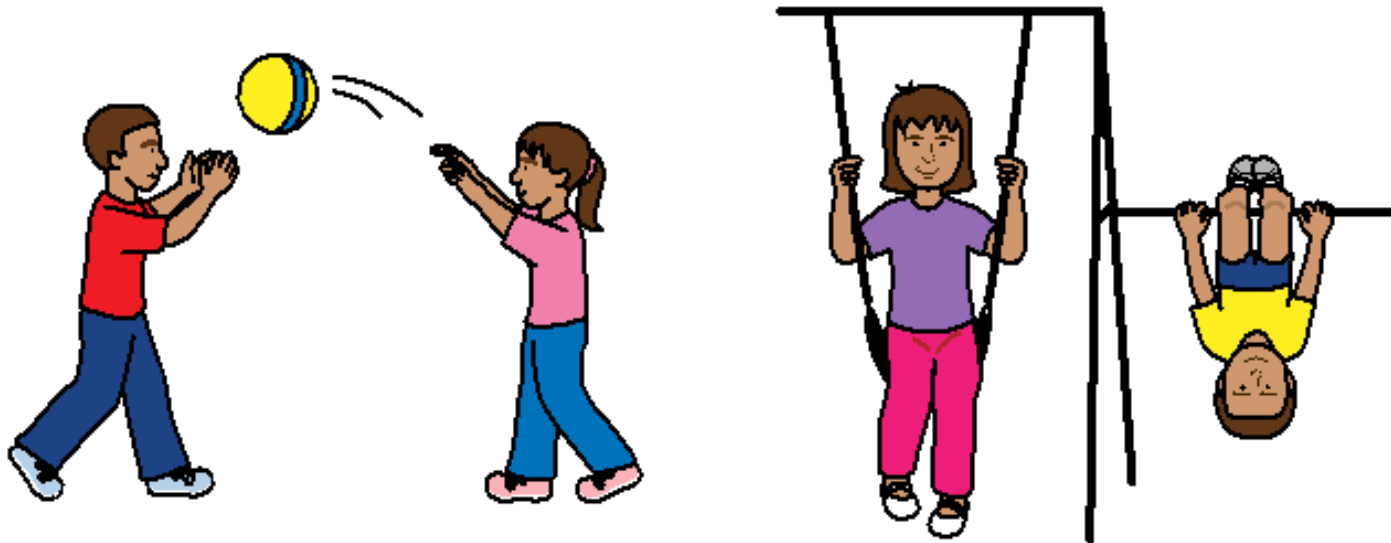

I will have a place to put my bag and my school things.

My new teacher will show me where to put them.

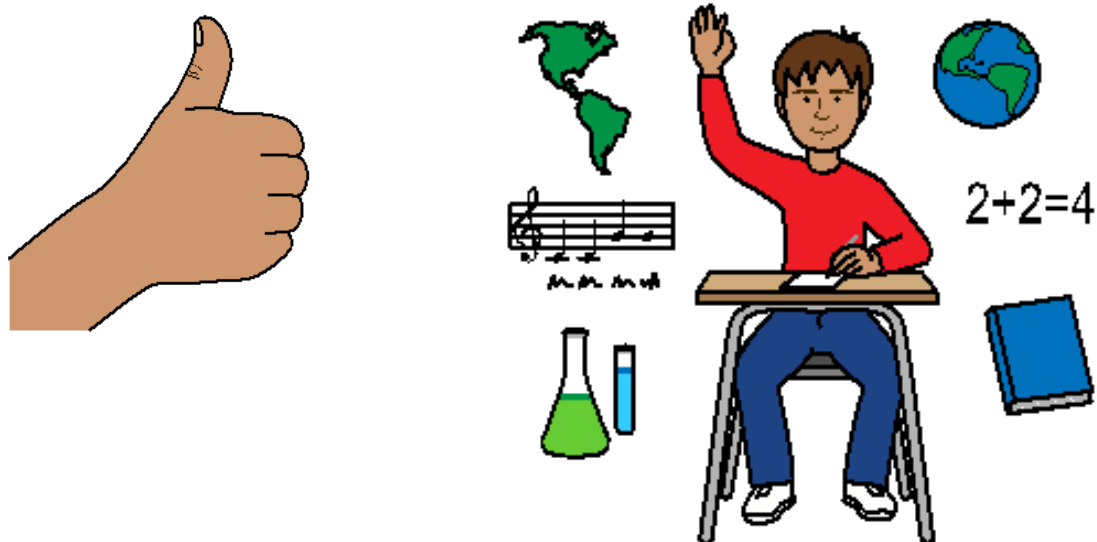

During break times, there might be a place where I have to play.

If I am unsure, I can ask the duty teacher where I can play.

It's fun to play with my friends at recess and lunch!

I will learn lots of new things and have lots of fun at my new school!

The End
