# **Training Details**

#### Cost to attend:

- For families who are **currently accessing therapy services** with the Autism Association of Western Australia, we have chosen to offer our training content free of charge as a part of your comprehensive service in 2021.
- Families **not currently accessing services** through the Autism Association of Western Australia you are welcome to access any of these training opportunities for a small fee.

## Where are workshops held?

Apart from our online webinars, all workshops are held at our Subiaco office at **37 Hay Street, Subiaco.** 

**Street parking** is available on Hay Street, Churchill Avenue and Barker Street or visit <a href="www.subipark.com.au">www.subipark.com.au</a> for parking options in the area.

## How does a webinar work?

Our live webinars are presented using Zoom software which is supported on most computers, laptops, and mobile devices. This allows participants to log in remotely – perfect for regional families or those who are unable to attend our face to face workshops!

Zoom also allows participants to interact with other attendees and the presenters using the virtual chat features.

If you have any questions regarding our webinars or the Zoom software, please get in touch at <a href="mailto:seminars@autism.org.au">seminars@autism.org.au</a>
